RE: Correction of message 4252306, dated 09/09/2014 concerning the countervailing duty investigation on steel threaded rod from India (C-533-856)

1. This is a correction to message 4252306, dated 09/09/2014, to correct paragraphs 2 and 3 of that message.
2. Paragraphs 2 and 3 of message 4252306 contain incorrect information about the date on which CBP should discontinue the suspension of liquidation. Below is the fully corrected message. The body of the message remains unchanged and is contained below for your convenience.
3. On 08/22/2014, the International Trade Commission (ITC) published in the Federal Register its negative final determination in the countervailing duty investigation of steel threaded rod from India (C-533-856) (79 FR 49810). The countervailing duty investigation of steel threaded rod from India has been terminated.
4. CBP should discontinue the suspension of liquidation of entries of merchandise which were entered, or withdrawn from warehouse, for consumption on or after 9/20/2013. Entries should be liquidated without regard for countervailing duties. All estimated countervailing duties deposited on entries of the subject merchandise shall be refunded and security released at the time of liquidation.
5. Notice of the lifting of suspension of liquidation of entries of merchandise entered, or withdrawn from warehouse, for consumption on or after 09/20/2013 occurred with the publication of the ITC's notice of negative final determination of investigation (79 FR 49810, 08/22/2014).
6. The interest provisions of section 778 of the Tariff Act of 1930, as amended, do not apply.
7. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O3:PS.)

8. There are no restrictions on the release of this information.
